About Maytronics

Nobody knows robotic pool cleaners like Maytronics – the company behind industry-leading Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for the world's swimming pools.

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability. In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable.

Our goal: to enable an exceptional experience of a pure, clean, safe, and relaxing pool.

WAVE – THE TRUSTED NAME FOR COMMERCIAL POOL CLEANERS

Dolphin Wave 50 Highly efficient fully automated cleaning for hotel, campground and school pools.

Accurate scanning allows systematic coverage of the pool floor, walls and waterline. High-capacity filtration space capture dirt, dust and other type of debris, leaving clean and hygienic pool water throughout the cleaning cycle.

The Wave 50 ensures heavy-duty cleaning performance with robust reliability for long-term effective operation.

Wave 50 key features and advantages

Outstanding results

- Scrub, brushes, vacuums and filters the entire pool – floor, walls and waterline
- Cable Swivel prevents cable tangling and ensures ongoing operation
- Thorough active brushing efficiently removes algae and bacteria enhancing the water quality
- Dual-filtration options - Ultra fine and Fine filters for all pool condition and seasons
20% extra filtration capacity, leaves the pool water clean and free of hair, dust, insects and other debris

Easy to maintain

- Fully automated – plug and play
- Caddy for handling and storage

Cost-effective, long-lasting value

- Built to last – brushless suction motor, heavy duty design
- Minimize manual cleaning – just set and forget
- Efficient and precise cleaning

Professional support and service

- Full warranty on all parts for 36 months or 3000 hours, whichever comes first. Maytronics also offers extended warranty programs. Please contact your dealer for details.
- Onsite training program provided by Maytronics product experts.
